2024 SHOW PRESIDENTS:

The Presidents' Message

It is an honour to be the president of the Rhydygroesau Village Show and I was delighted to be invited, as I still feel myself to be an "incomer" even after 25 years.

Having been regular visitors to Rhydygroesau and Cefn Canol since the early nineteen sixties John and I were delighted to have the opportunity to make our home here on our retirement in the mid-nineties. In our time we have lived in Walsall, London, Middlesex and Suffolk, and this is definitely the best place to be.

We were fortunate to move into such a caring and close-knit community, one where people work together and look out for each other in times of need.

It is unusual these days to find so many people prepared to put in all the effort and hard work required to produce so many successful events such as the Village Show, the Pantomime and the Autumn Fair to name but a few. The hall is also very active throughout the year with various groups meeting on a weekly basis.

I would like to say thank you to the industrious team who put so much effort into putting on the Show and wish the very best of luck to all the exhibitors and riding competitors who help to make the Show a success.

May the weather be kind to us.

Special Recipe -Stout and ginger cake

Ingredients

- butter, for greasing
- 230ml/8fl oz stout
- 100g/3½ oz molasses (alternatively black treacle)
- ½ tsp bicarbonate of soda
- 3 large free-range eggs
- 120g/4¼ oz granulated white sugar
- 120g/4¼ oz dark brown sugar
- 180ml/6fl oz rapeseed or vegetable oil
- 470g/1lb 1oz plain flour
- 2 tbsp ground ginger
- 1½ tsp baking powder
- ¾ tsp ground cinnamon
- ¾ tsp ground cloves
- ¼ tsp freshly grated nutmeg
- ⅛ tsp ground cardamom
- 1 tbsp peeled and freshly grated root ginger

To glaze

- 1 tbsp molasses (alternatively black treacle)
- 1 tsp melted butter

Method

1. Preheat the oven to 180C/160C Fan/Gas 4. Grease a 900g/2lb loaf tin with butter. Line with baking paper.
2. In a large, deep saucepan over a high heat, combine the stout and molasses and bring to the boil. Turn off the heat, add the bicarbonate of soda and stir for a few seconds, which will make the mixture expand and fizz (take care, the mixture will expand a lot and the sugar will be extremely hot). Allow to sit until the foam dissipates.
3. In a bowl, whisk the eggs and the white and dark brown sugar. Whisk in the oil.
4. In a separate bowl, mix the plain flour and dry ingredients except the fresh ginger.
5. Combine the stout and egg mixtures, then whisk into the flour mixture, half at a time. Add the fresh ginger and stir.
6. Pour the batter into the loaf tin and bake for an hour, or until the top springs back when gently pressed. Do not open the oven until the gingerbread is almost done, or the centre may sink slightly.
7. To glaze, mix the molasses and melted butter until well combined. Brush over the top of the cake while it is still warm from the oven. Allow the cake to cool in the tin for a few minutes before transferring to a wire rack.
